

Pennsylvania High School Coaches:

On behalf of the PSFCA I would like to encourage everyone to take part in our annual membership drive for the 2011-2012 year. Quoting a section of our mission statement, "the mission of the PSFCA is to help maintain the highest possible standards and improve the conditions of Pennsylvania football and the football coaching profession." Our executive board feels that encouraging steps have occurred during the past years and Pennsylvania football is boldly moving forward with some of the new objectives and ideas. We have met with Coach Paterno, Coach Graham, and Coach Adazzio and they fully endorsed our goals and objectives. They have committed to our clinic and supported our newly established "hot 100 juniors and top 50 sophomores. Please take time to preview below some of benefits of becoming a member of the PSFCA.

Once again we will work with maxpreps.com this year. This partnership will financially benefit our organization as high schools log into MaxPreps and submit their roster and weekly stats. Please take a few minutes and visit our website [www.pfsca.org](http://www.pfsca.org) to view several benefits and to join our strong organization.

Good luck in the upcoming football season!
